

P. Szalay¹ and G.G. Ferenczy^{2*}

¹ Department of Theoretical Chemistry, Loránd Eötvös University, H-1518 Budapest, P.O. Box 32, Hungary;

² Gedeon Richter Ltd., H-1475, Budapest, P.O. Box 27, Hungary

One page abstracts should be submitted by **31 January, 2000**. All abstracts will be refereed.

Authors are asked to observe the following criteria:

- The name of the speaker or poster presenter should be clearly indicated. The name of the **Main Author** should be underlined, the name of the presenter should be marked with an asterisk (*).
- Abstracts should **not** be folded and should be **typed** in English using **not less than 1.5 line** spacing on white paper.
- The preferred font should be Arial, Avant Garde, Courier, Helvetica or Times New Roman.
- The preferred font size should be 12 point.
- The whole of the abstract **must** be contained within a rectangle of size 23 cm HIGH x 16.5 cm WIDE (9 x 6.5 inches) in **portrait** layout. References, figures and by-lines must appear together with the abstract, **inside this area**.
- **Beneath and outside** of the area defined above, please indicate
 1. the name and mailing address (including FAX number and e-mail address) of the author to whom future correspondence should be sent;
 2. a letter P or O denote a preference for poster or oral presentation;
 3. the number of focal point which best fits your abstract.
- References, denoted by superscript numbers in the text, should be listed at the end of the text using standard Chemical Abstracts Source Service Index (CASSI) terminology followed by YEAR, VOLUME, PAGE.
- Abstracts should be submitted both in printed and in electronic forms. Printed abstracts should be submitted in triplicate to the following address:

**EUCCO-CC3
Gedeon Richter Ltd.
H-1475 Budapest, POB 27
Hungary**

Electronic abstracts should be sent either in postscript, pdf or in ASCII format. They can be sent either to the e-mail address **euccc3@para.chem.elte.hu** as an attachment or on a PC-formatted disk to the mailing address written above.
